Why Partner With GPL

GPL brings the cricketers, families and cricket fans of Ghatampur and nearby villages to one ground for trials, a live player auction and a full tournament — and to one website and social media feed for weeks.

Your brand is seen at the ground, on the big auction and scoreboard screens, on every poster we publish, and on the league website where views and clicks on your logo are counted and reported to you.

Where Your Brand Appears

- Ground: boundary boards, stage backdrop, presentation ceremony.
- Screens: live auction display and live scoreboard.
- Digital: league website (home and sponsors page), match result and Player of the Match graphics, team and fixture posters.
- Print: player certificates, tournament brochure and auction catalogue.
